

WHERETECH

WhereTech Introduction

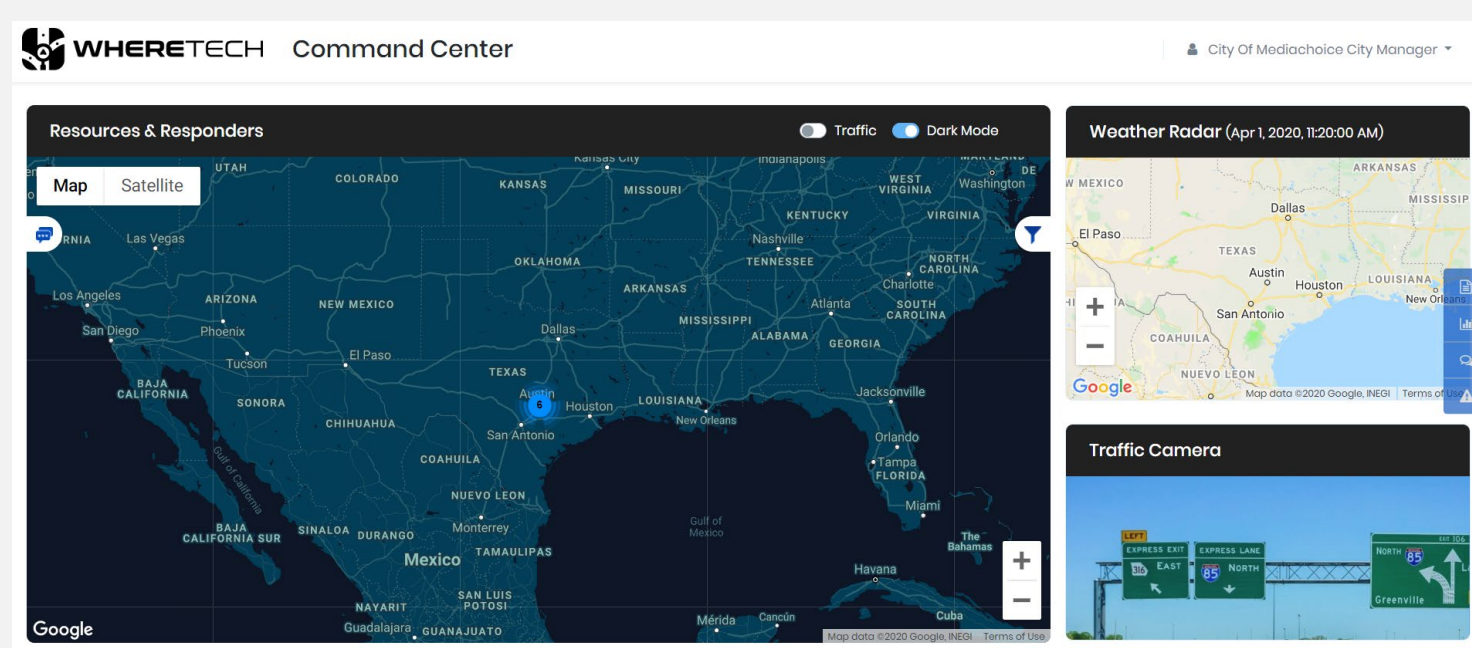

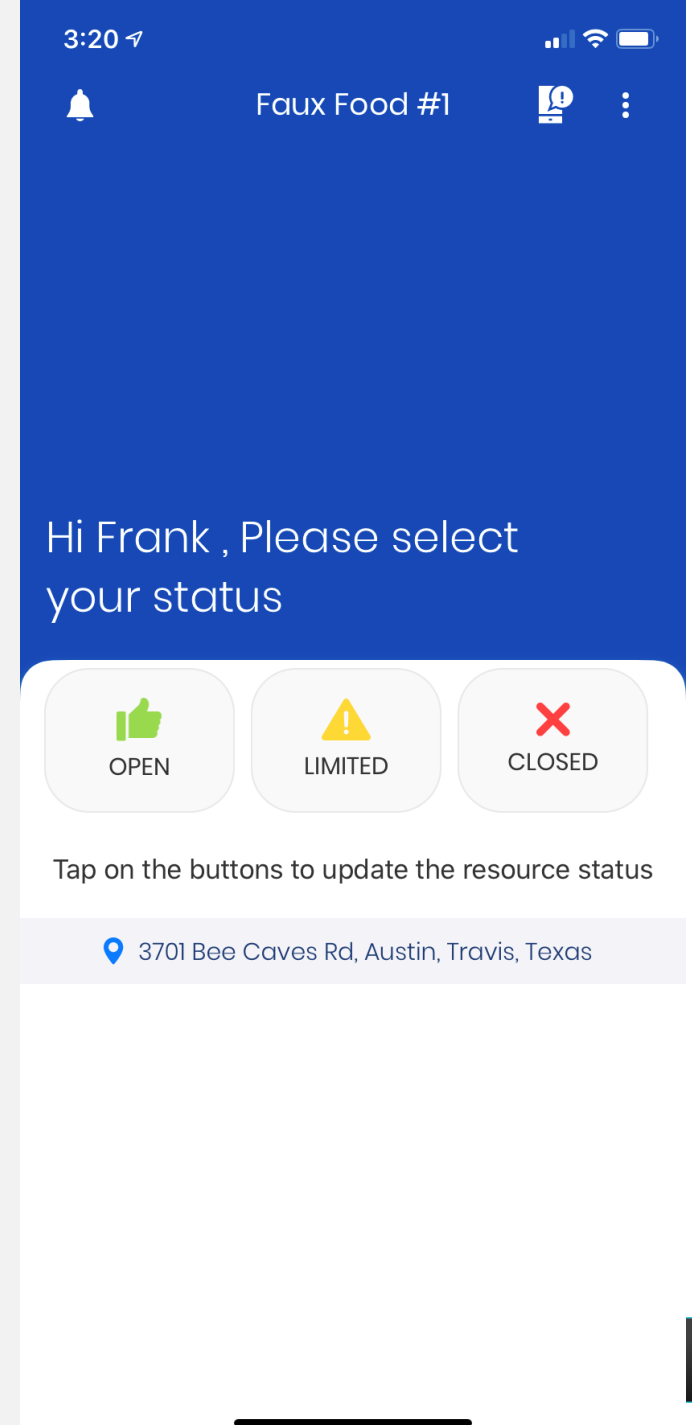

Two ways to use the App depending on account type:

Web App and Mobile App

Mobile App

Web App

2 types of users for Web App:

Governments

-City Managers, Police, Fire, Hospitals, etc.

Businesses

- Food, Gas, Lodging, Any retail store, etc.

The Web app is for the users that oversee the Mobile users. The web app can track and communicate with the mobile app.

The screenshot shows the Wheretech web application interface. On the left is a dark blue sidebar with a menu containing: Dashboard, Government Accounts (highlighted), Business Accounts, Reports, Advertisements, and Settings. The main content area has a white header with 'Welcome' and a user profile 'Fox Philippe'. Below the header is a blue banner with 'Government Accounts' and 'Government Accounts' text. The main section is titled 'Government Account List' and includes a search bar with 'Select State' and 'Search' fields, and 'CLEAR' and 'SUBMIT' buttons. An 'ADD' button is in the top right. Below is a table with columns: S.no, Org Name, CMD Center, Responder Category, State, City, Phone, and Action. The table contains six rows of data.

| S.no | Org Name | CMD Center | Responder Category | State | City | Phone | Action |
|------|----------------------------------|------------|--------------------|-------|--------|-----------------|--------|
| 021 | Health/Hospital | - | Police | Texas | Austin | +1 512 693 9905 | |
| 020 | Public Works | - | Public Work | Texas | Austin | +1 512 693 9905 | |
| 019 | Fire Department | - | - | Texas | Austin | +1 512 693 9905 | |
| 017 | Police Department | - | Police | Texas | Austin | +1 987 654 3210 | |
| 016 | City of MediaChoice City Manager | Yes | - | Texas | Austin | +1 987 654 3210 | |

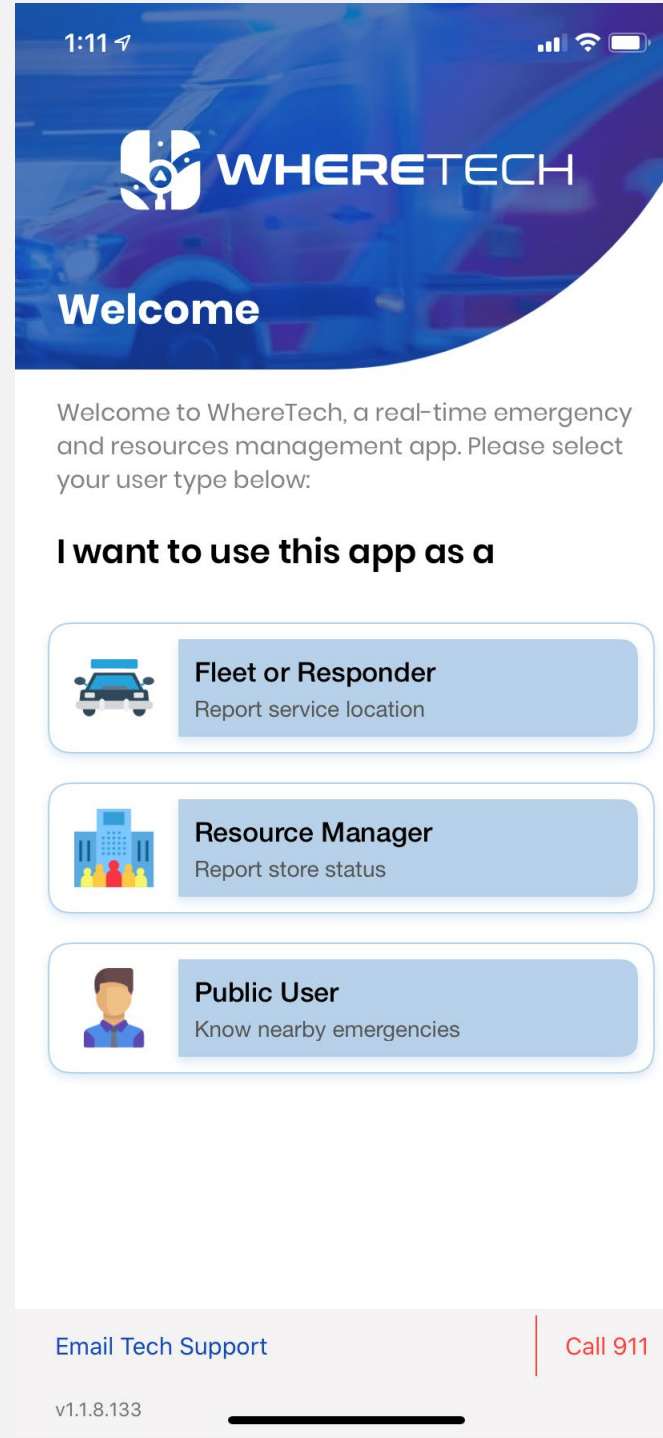

3 types of users for Mobile App:

Fleet/Responders

Resource Managers

Public Users

The background of the slide is an aerial view of a city with various buildings and streets. Overlaid on this are several white hexagonal shapes of varying sizes. A large black hexagonal shape is positioned on the left side, partially overlapping the city view. In the center, a black rectangular box contains the text 'Web App user overview'. To the right of this box, a white hexagonal outline contains a smaller image of a laptop displaying a web application interface. The overall design is modern and tech-oriented.

Web App user overview

Government Users

A wide variety of government accounts can be set up, with varying degrees of access and functionality.

The screenshot shows the WHERETECH web application interface. On the left is a dark sidebar with navigation options: Dashboard, Government Accounts (highlighted), Business Accounts, Reports, Advertisements, and Settings. The main content area has a white header with 'Welcome' and a user profile 'Fox/Philippe'. Below this is a blue banner with the title 'Government Accounts' and a subtitle 'Government Accounts'. The main section is titled 'Government Account List' and features a search bar with a 'Select State' dropdown and a 'Search' input field. There are 'CLEAR' and 'SUBMIT' buttons for the search. Below the search bar is a table with columns: Sno, Org Name, CMD Center, Responder Category, State, City, Phone, and Action. The table contains five rows of data. An 'ADD' button is located in the top right corner of the table area.

| Sno | Org Name | CMD Center | Responder Category | State | City | Phone | Action |
|-----|----------------------------------|------------|--------------------|-------|--------|-----------------|--------|
| 021 | Health/Hospital | - | Police | Texas | Austin | +1 512 693 9905 | |
| 020 | Public Works | - | Public Work | Texas | Austin | +1 512 693 9905 | |
| 019 | Fire Department | - | - | Texas | Austin | +1 512 693 9905 | |
| 017 | Police Department | - | Police | Texas | Austin | +1 987 654 3210 | |
| 016 | City of MediaChoice City Manager | Yes | - | Texas | Austin | +1 987 654 3210 | |

City Manager

City Manager has a command center with multiple areas of functionality.

The background of the slide is an aerial view of a city with various buildings and streets. Overlaid on this are several white hexagonal shapes. A large black hexagonal shape is on the left, containing a white hexagonal cutout. A smaller white hexagonal shape is on the right, containing a 3D rendering of a mobile phone. A central black rectangular box contains the text 'Mobile App user overview'.

Mobile App user overview

Resource Manager

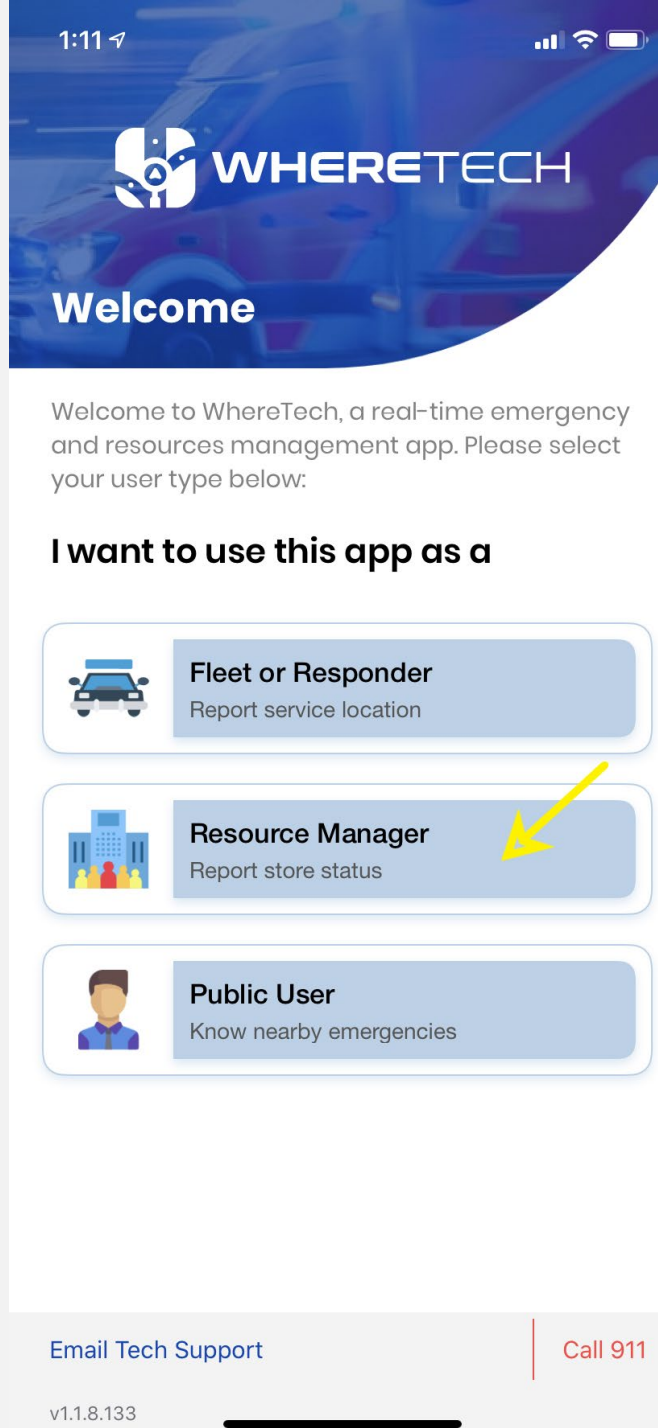

LOG IN

When you open the app, you will be prompted to log in as a user type.

Choose Resource Manager.

Then, use the credentials in the email you received to log in.

Once you have entered your credentials, you will be prompted to change your password. You may skip this step, but we recommend against it. Every time you log in you will be prompted to change your temporary password until you have completed this task.

REPORT THE STATUS OF YOUR STORE

In the center of your screen you will see three options: Open, Limited and Closed.

You will choose the status of your business by clicking on the appropriate button and completing the steps on the following pages.

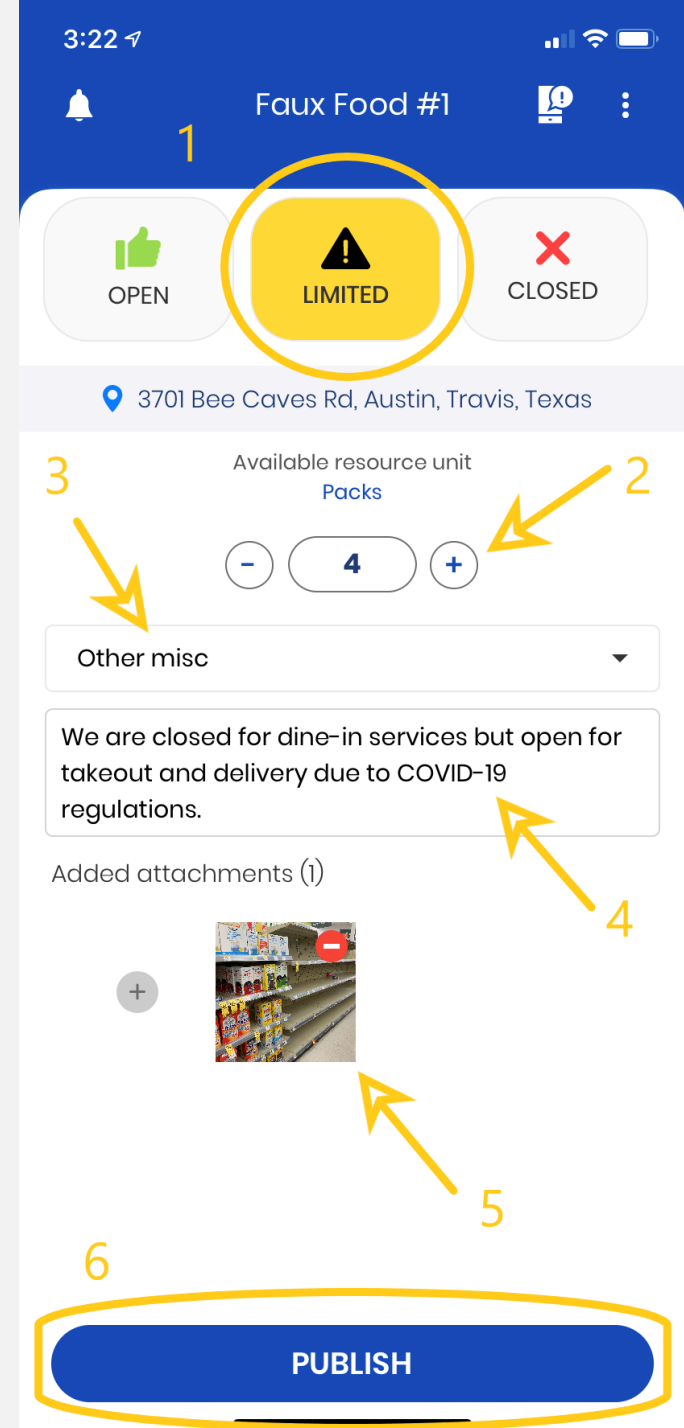

OPEN STATUS- GREEN

- 1. Click the OPEN button if your business is operating normally.
- 2. Update the amount of resources available. You can type in a number or hit the plus and minus buttons.
- 3. Add pictures or video to inform your customers or business managers about your business.
- 4. Then press PUBLISH.

LIMITED STATUS-YELLOW

1. Click the LIMITED button if your business is operating with any limited functionality or resource availability.
2. Update the amount of resources available. You can type in a number or hit the plus and minus buttons.
3. Choose a reason for the limitation
4. Enter details about your business to share with your customers or business managers in text form.
5. Add pictures or video to inform users about your business.
6. Then press PUBLISH.

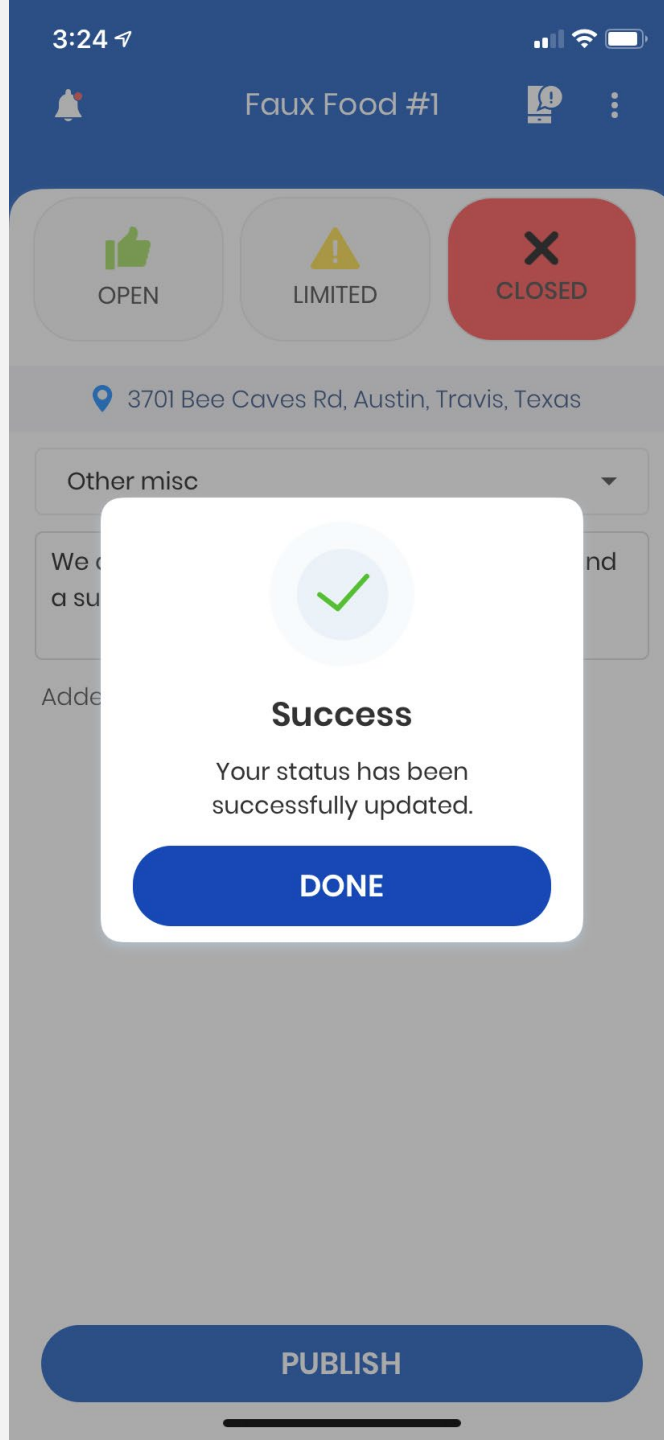

CLOSED STATUS- RED

1. Click the CLOSED button if your business is not open.
2. Choose a reason for your business closure.
3. Enter details about your business to share with your customers or business managers in text form.
4. Add pictures or video to inform your customers or business managers about your business.
5. Then press PUBLISH.

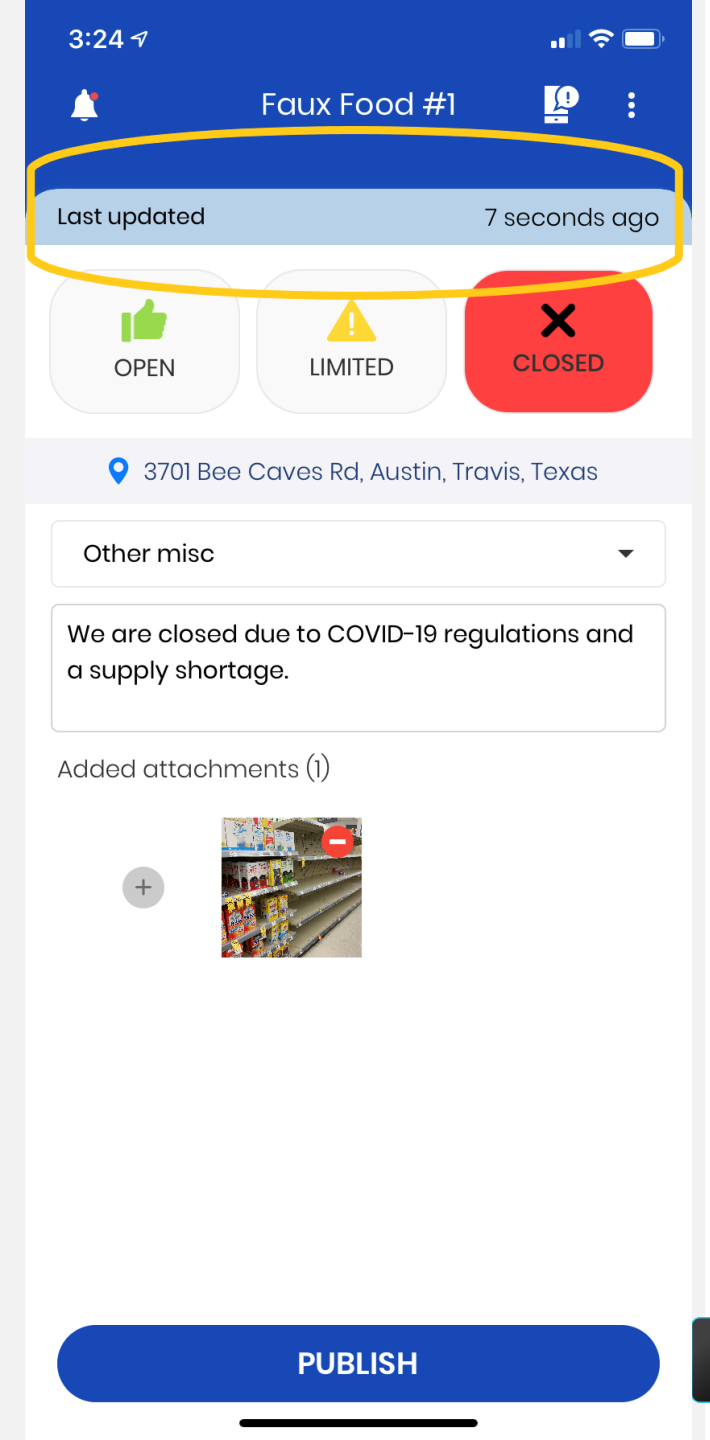

PUBLISH

You will know you have successfully updated your resource if you see this screen.

You can see the last update time on the top of the screen in the light blue bar.

Responders/ Fleet Users

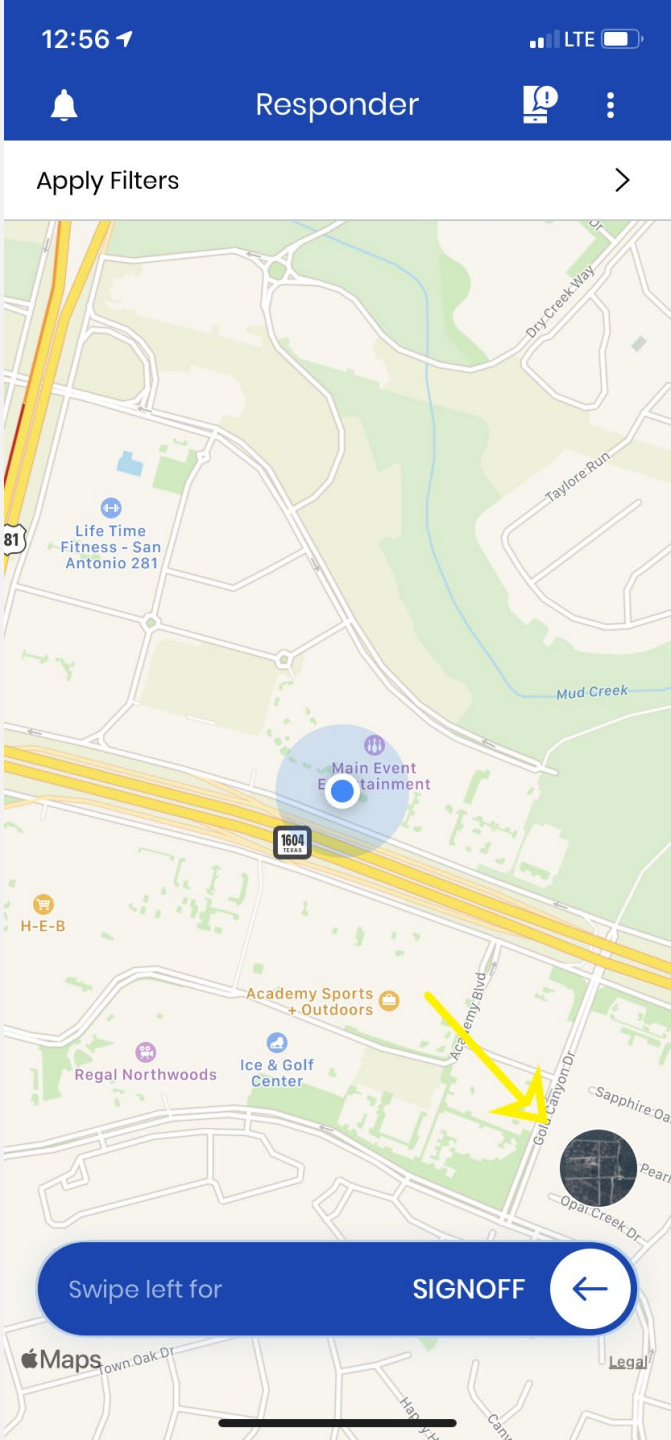

SIGN ON AND OFF DUTY

On the bottom on the screen you will see a swipe to sign on and off of duty. Swipe right, and you are in!

TURN ON SATELLITE VIEW

Look on the bottom right for a round button that turns the satellite view on and off.

REPORTING AN EMERGENCY

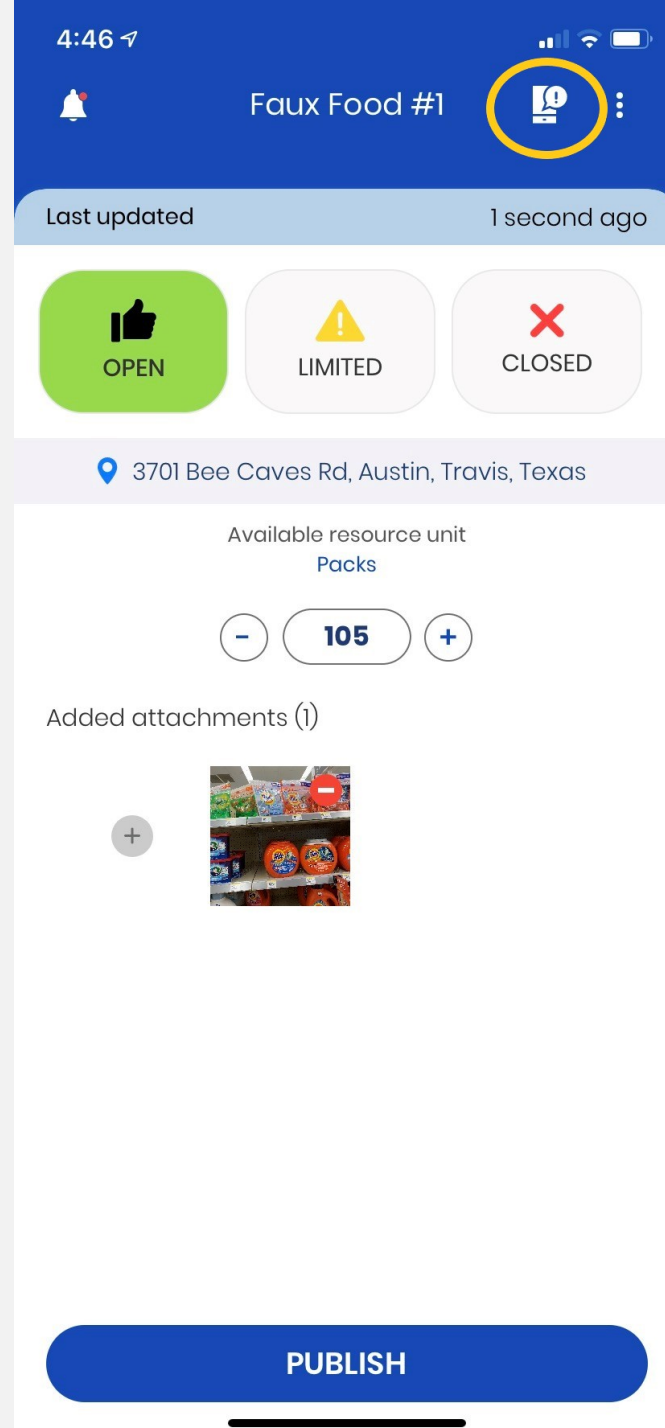

Click on the icon that looks like a cell phone with a “!” bubble on it.

Then, select the type of emergency you are reporting.

Once you have chosen the type of emergency, confirm the location. The location function will default to your current location, but you can drag the map to change the location, should you not be right on top of the event. Then, confirm the location of the emergency.

There is a space for entering details about the emergency and to upload pictures from your phone. Then hit Report at the bottom of the screen to complete the reporting of the emergency.

This information will be reported directly to the command center.

For all Mobile users

CHECK NOTIFICATIONS

The bell on the top right will take you to the notification center.

There you can see messages sent out to users, as well as any correspondence between you and the command center.

REPORTING AN EMERGENCY

Click on the icon that looks like a cell phone with a “!” bubble on it.

Then, select the type of emergency you are reporting.

Once you have chosen the type of emergency, confirm the location. The location function will default to your current location, but you can drag the map to change the location, should you not be right on top of the event. Then, confirm the location of the emergency.

There is a space for entering details about the emergency and to upload pictures from your phone. Then hit Report at the bottom of the screen to complete the reporting of the emergency.

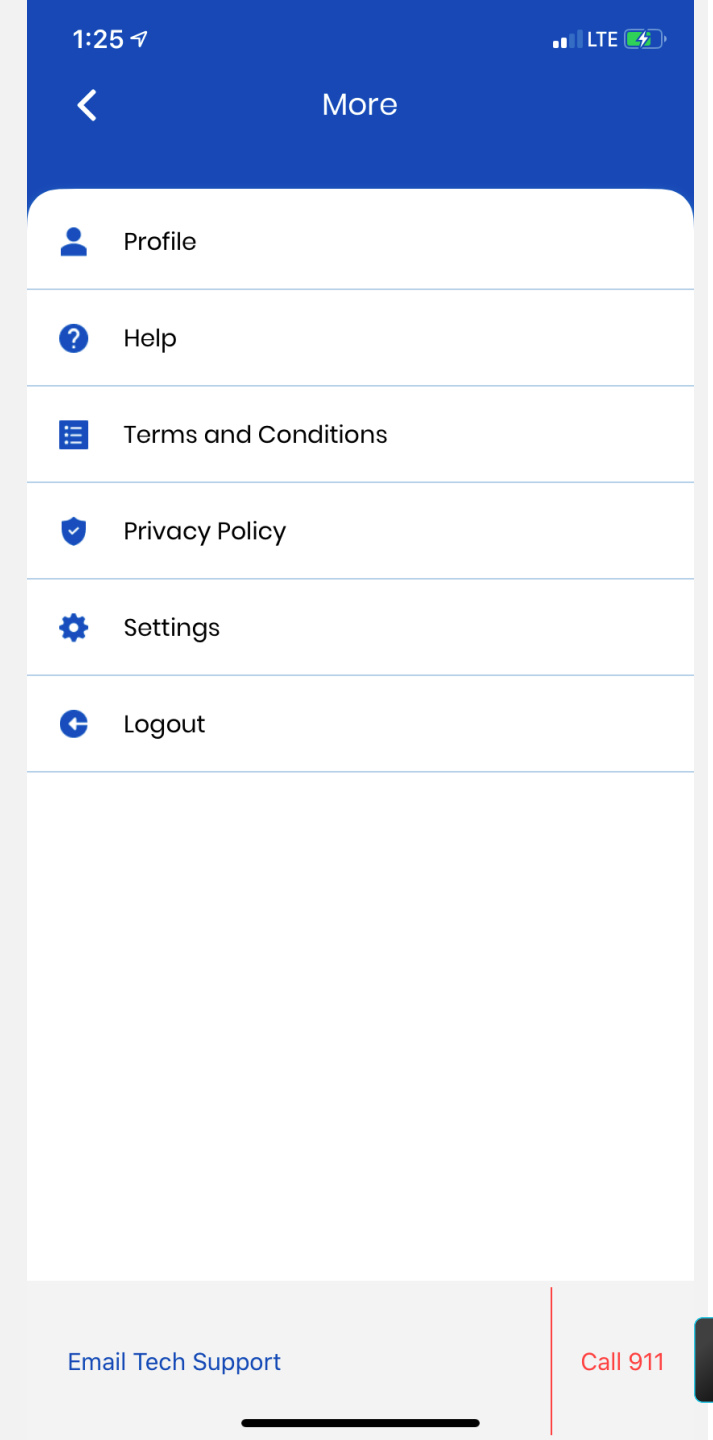

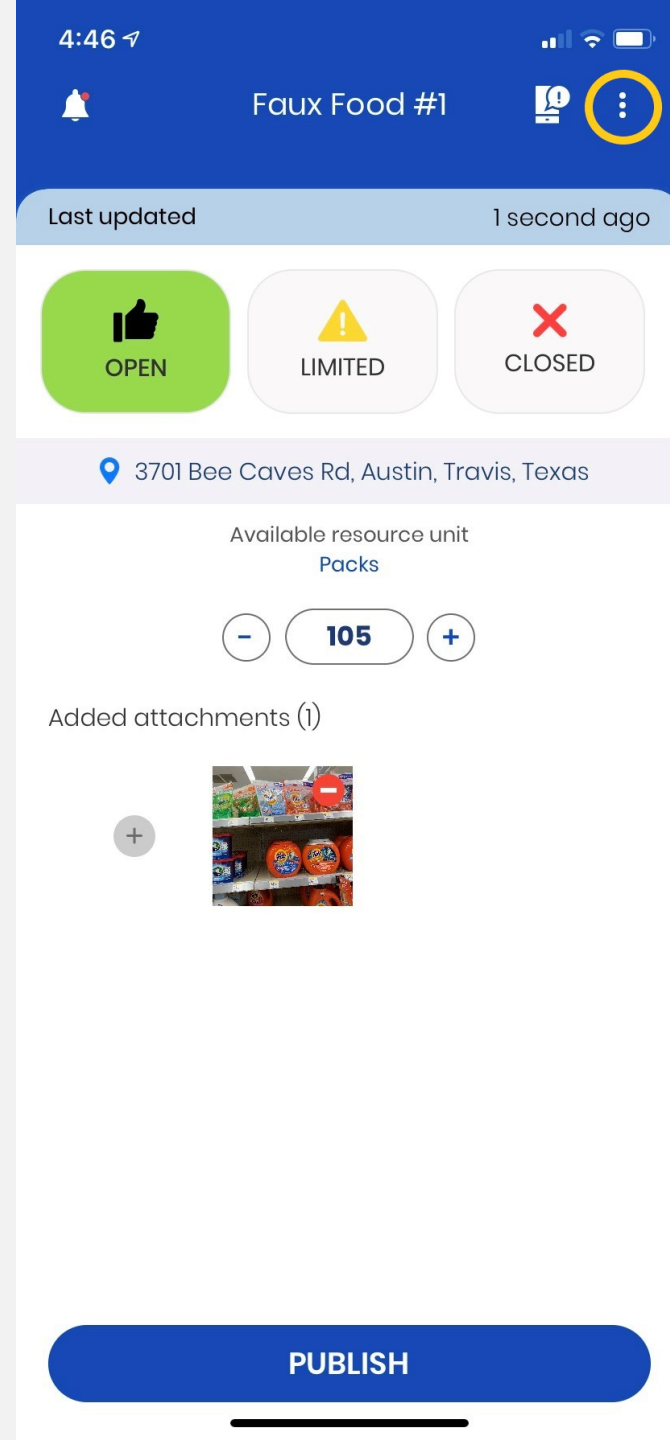

This information will be reported directly to the command center.

CHECK YOUR SETTINGS AND MORE...

Click on the three dots icon on the right side of the screen to access your profile, help items, settings and more.

At the bottom of the screen you will see a place to directly email tech support or call 911.

Thank You
